

GET CREDIT FOR WHAT YOU KNOW.

At CCV, we know that college-level learning can happen outside the classroom. If you have knowledge and skills that you've gained on the job, in the military, or through community service, you can save time and money on college credits through CCV's Competency Based Pathways. Competency Based Pathways are standardized Course Challenges that allow you to earn credit by demonstrating mastery of the objectives in specific CCV classes.

Choose from the following courses:

- ACC-1010 Computerized Accounting
- BUS-1010 Introduction to Business
- BUS-2020 Principles of Management
- BUS-2230 Principles of Marketing
- CIS-1430 Spreadsheets
- INT-2860 Professional Field Experience
