

VECN Steering Committee

The VECN Steering committee is made up of 5-7 VECN leaders and facilitated/attended by Grant administrator/manager (LGK's current role) with input from Steering committee

This is a voluntary committee where 5-7 VECN leaders:

Envision the Networks as a statewide system and keep the VECN moving forward

Engage one leader from each region not represented on Steering committee for input and feedback on Network and ECE topics and goals

Assist with setting the statewide leader meeting agendas

Will make a two-year commitment to be on the VECN Steering committee

Will make a commitment to meet 4X a year (Partner organizations will be invited to some of the meetings)
