

First Children's Finance

Advanced Business Training Series

The Advanced Business Training Series from First Children's Finance provides licensed early learning center leaders with the opportunity to enhance their business skills.

Managing Enrollment in your Child Care

April 4th at 5:00-6:30pm EST [Register HERE](#)

Learn how to understand enrollment in a child care center and develop your skills to create realistic enrollment projections and how to track current enrollment and future openings. Create action steps to maintain and grow enrollment.

Developing Partnerships for your Child Care

April 11th at 5:00-6:30pm EST [Register HERE](#)

Learn how partnerships can benefit your child care business and who may be potential partners. We will discuss how sharing your story can lead to partnerships.

Staffing your Child Care

April 25th at 5:00-6:30pm EST [Register HERE](#)

Staffing is a critical and competitive need for child care centers today. Participants review the basics of acquiring, retaining, and developing new employees and teachers for your child care program. With the right staffing strategies in place, child care leaders can focus on growth and enhancement of their program.

Policy & Business Practices

May 2nd at 5:00-6:30pm EST [Register HERE](#)

Learn how to effectively implement policies, procedures, and systems that support stable program operations. Identify and examine how to organize and create standard policies and procedures manual for their program.

Managing Operations of Your Facility

May 9th at 5:00-6:30pm EST [Register HERE](#)

Clear direction and processes create efficiencies in facilities operation. Discuss operational structure and policy that supports general facilities management.

"These trainings are provided in partnership with LGK, an equal opportunity provider and employer".

"This publication is the result of tax-supported funding from USDA, Rural Development and as such is not copyrightable. It may be reprinted with the customary crediting of sources".

"Funding for this Childcare as a Vehicle for Rural Economic Opportunity was made possible in part with a Rural Business Development Grant from USDA Rural Development".
