

Lyrics to “Something Beautiful” anthem for kids

Participants sing lines highlighted in yellow.

OPENING, ACAPELLA, RUBATO (KAT & CHRIS ONLY):

I hear something beautiful

To give it life to help it grow

I hear something beautiful

Open up my heart, open up my mind to something beautiful

Open up my heart, open up my mind to help it grow

FIRST CHORUS:

I hear something beautiful

I hear something beautiful

To give it life, to help it grow

To give it life, to help it grow

I hear something beautiful

I hear something beautiful

Open up my heart, open up my mind to something beautiful

Open up my heart, open up my mind to help it grow

FIRST VERSE (KAT):

Everyone, everywhere, yes it matters if you care

The future is built in the here and now

It takes a village to grow a great person

The fruits of great gardens grow when we nurture so

We all have a role to play
We've got to light the way
Take care of the kids today
Someday they'll join us and say

SECOND CHORUS:

I hear something beautiful

I hear something beautiful

To give it life, to help it grow

To give it life, to help it grow

I hear something beautiful

I hear something beautiful

Open up my heart, open up my mind to something beautiful

Open up my heart, open up my mind to help it grow

SECOND VERSE (CHRIS):

It's one step

Along on our journey

One step

Along on our journey

One step

Along on our journey

Journey beneath the sun

One step

Like the first step a child takes

One step

And two and three and then they're on their way

One step

Towards a life that will be all their own

And we can help them build a home

One step

As community we will rise

One step

With the hope that we can hold on high

One step

The simple beauty in a child

And we all have a role to play

We have to light the way

Take care of the kids today

And I hope you'll join us and say

Third Chorus:

I hear something beautiful

I hear something beautiful

To give it life to help it grow

To give it life to help it grow

I hear something beautiful

I hear something beautiful

Open up my heart, open up my mind to something beautiful

Open up my heart, open up my mind, to help it grow.
